Dear Parents/Guardians,

Welcome back!!

It was great to see our beautiful children back in school after their summer break. We trust that you had an awesome and quality time with them. The Johari School Management would like to take this opportunity to welcome all the parents and children to our family. We believe that we will have a very fruitful and successful term ahead.

Administration Office

We wish to inform you that Ms. Elizabeth (School Admin) is away on sick leave. Meanwhile, we have Ms. Mary Njau who is supporting in her duties in the office. We continue to keep Ms. Elizabeth in our prayers and wish her a quick recovery.

Information

For any parent who did not receive their child's/children's end of term information, please notify the office so that we can respond as soon as possible. The information included the report form, this term's school fees invoice and photos.

Theme

Our term's theme is "Our World." This will definitely be an interesting topic since it will enlighten our children on various aspects pertaining to our world. They will be able to learn names of the continents, especially Africa and major on their own country, Kenya. Famous landmarks will be introduced and they will also learn how to greet in different languages and cultures. The wonders of the world will be briefly taught.

Extracurricular Activities

These activities are ongoing. Cookery lessons will be held on Tuesdays, twice in a month. Music will be on Wednesdays. On Thursdays, is Dance while Gymnastics happens on Fridays. The fee for both Dance and Gymnastics is Kshs 5000 per term. Kindly liaise with your child's teacher and confirm which activity you would like to sign up for your child.

Handkerchiefs

Please remember to pack a handkerchief or two for your child to avoid using tissue which makes the flu worse.

Once again, we wish you a very fruitful term filled with great fun!!

Thank you
