## May Newsletter

19<sup>th</sup> May 2026

### Dear Parents/Guardians,

Greetings! We hope you and your family are doing well. The term has started positively, and we look forward to a wonderful term. Please take note of the following items.

### Theme: Sun Game

This term, our main focus has been the Sun Game. This engaging theme will explore the importance of the sun in our lives, including how it affects our environment, health, and day-to-day activities. Throughout the term, children will engage in various activities centred on the sun, such as art projects, science experiments demonstrating the effects of sunlight, and storytelling sessions about the sun's role. We aim to inspire curiosity and appreciation for nature and encourage teamwork through fun games and challenges related to our theme.

### Mater Heart Run

We would like to express our heartfelt appreciation to the parents who returned the sponsorship forms along with the amounts they collected. Once the merchandise arrives, we will distribute it for use on **Saturday, May 23, 2026**. The event will take place in Nairobi at the Kenyatta International Convention Centre. Thank you for making a difference in a child's heart.

### School trip

This term, we have organised a school trip to the Hub Park in Karen on **Friday, 5th June 2026**.

The trip will cost **KES 1,800 per child**. We shall share a permission slip with more information about the trip, which should be returned by **Thursday, 21st May 2026**.

### School Photo Shoot

We shall have a school photo shoot on **Friday, 3rd July 2026**, in the morning before the graduation ceremony. We hope to see all children attending school and looking lovely as always.

### Graduation

We shall have our graduation ceremony on **Friday, 3rd July 2026**, which is also our closing day. We are very excited, as some of the children will be transitioning to big school. A graduation letter will be shared with the Parents of the graduates with information about the day and the graduation fees.

### **Diaries**

Please remember to sign and send back the diaries daily. You can liaise with your child's teacher or the office on further issues.

### **Sickness**

We ask parents to please keep children at home when they have colds, coughs or anything that can be contagious to assist us in reducing the chances of spreading it to other children.

### **Handkerchiefs**

Please remember to pack a handkerchief or two for your child to avoid using tissue which tends to make the flu worse.

### **Snacks**

We kindly ask that you refrain from packing fizzy drinks, candy and nuts for the children. We provide a midday snack and an afternoon snack at school. If you choose to pack an extra snack, please ensure that it is a healthy option.

### **Medication Consent Form**

We have a consent form for administering medication during school hours. This form ensures that we have the necessary information and permission from parents or guardians to safely administer medication to students when needed. Kindly request for a consent form if you pack any medication in your child's bag. For parents who are unable to sign the form physically, we will share an online link with you.

*Thank You!*
